BOARD DONATED BY  
JOHN BASSO

## President

David Watts

We kicked off the 2023 club year in style with great weather for our 22<sup>nd</sup> January run to Tooborac Brewery. A good turnout of GTs looked great on the highway on the trip to Tooborac and parked around the brewery while members enjoyed good food and drink over a couple of relaxing hours.  
- See pics in this newsletter and on the club Facebook page.

**Refer to Upcoming Events page and action/s required by you:**

**Daylesford Motorfest Sun 19<sup>th</sup> Feb:** Go to Daylesford Motorfest 2023 website asap to pre-purchase your entry ticket

**Nagambie Weekend Run 3-5<sup>th</sup> Mar** is only 4 weeks away and is not to be missed. Just 1 room left available. Contact me if you want it. All 40 rooms at the Nagambie Waterfront Motel are secured by us for this weekend however we will return the room to the venue mid-Feb if it is not taken up by one of our members. Don't regret not participating in this weekend. It's simple maths, 40 rooms = a minimum of 40 GT Falcons and several rooms have more than 1 GT. We have double the rooms booked compared to our March 2022 weekend and that was excellent. 3-5<sup>th</sup> March 2023 will be huge!

**All Ford Day:** Please book your entry via TryBooking asap as club space is allocated by the organisers based on numbers of cars booked. Don't forget to list Falcon GT Club of Australia when asked for your club in TryBooking.

**Falcon GT Nationals, Bathurst May 2023:** Refer 19<sup>th</sup> Nationals & FGTCOA FB pages for updates. TryBooking site re-opening soon with limited spaces still available to display vehicles

**GTs on the Murray October 2023:** We now have 30 cottages "on-hold" until end February 2023 at Murray River Resort 162 Perricoota Rd Moama NSW. They all sleep 6 people. The resort knows that our members will be looking for varying numbers of people per cottage, some wanting a cottage to themselves, some looking to share. Please contact the resort to **book your cottage by end February 2023** on Ph: 03 5480 9638 or email: [info@murrayriverresort.com.au](mailto:info@murrayriverresort.com.au)

**Membership Milestone:** Congratulations Mick Peddie on achieving 10 years membership 22<sup>nd</sup> January 2023.

**Congratulations to Josh Khouri and Jessica Massih (Khouri)** on your recent marriage. Best wishes for the future together guys.  
Congratulations also to Leo and Anne and all the Khouri family on this joyous occasion.

Dave Watts

## **Process: Club Permit Scheme (CPS) Annual Admin Fee Payment**

CPS admin fees for the coming club year are due at the same time as Club membership renewals ie 1<sup>st</sup> July each year. NB: For the club year 1<sup>st</sup> July 2022 to 30<sup>th</sup> June 2023 the club membership renewal fee has been set @ \$95 and CPS admin fee @ \$25 per CPS vehicle (capped at a maximum of \$50 total per member with CPS vehicle/s).

For example, if you have one CPS vehicle, on 1<sup>st</sup> July you will be due for club membership renewal of \$95 + CPS admin fee of \$25 = \$120 total. If you have two or more CPS vehicles, on 1<sup>st</sup> July you will be due for \$95 + \$50 (2 x \$25) = \$145. Any additional CPS vehicles throughout the club year will attract a CPS admin fee of \$25 per vehicle at time of signing CPS documentation except where a member is already paying the \$50 maximum CPS admin fee.

### **Points to note:**

- If posting CPS paperwork for club signature please post to Falcon GT Club of Australia Inc P.O. Box 351 South Morang Vic 3752.
- CPS authorised signatories have lists of members and CPS rego numbers showing when the CPS admin fee has been paid. Admin Fee not paid or member not financial – ie: no current membership card - no signature. Simple
- CPS Registration is a matter between you and VicRoads and is due for renewal on its renewal date whenever that may be throughout the year. CPS Registration should not be confused with your Falcon GT Club of Australia Inc membership which is due on 1<sup>st</sup> July each year.
- You should understand that if you are not a paid up financial member of the Falcon GT Club of Australia Inc by 1<sup>st</sup> July each year, your CPS vehicle is deemed unregistered, regardless of when your VicRoads CPS Registration renewal falls due
- The club regularly requests updated VicRoads list of all CPS vehicles linked to the club.
